- (5) Unfinished. Buildings or structures that are unfinished.

(2) City Council determination whether property nuisance exists. Upon referral from the Planning and Zoning Code enforcement officer, the City Council shall hold a public hearing to determine whether or not the subject building is a property nuisance for any of the reasons specified in this ordinance or is otherwise unsafe, dilapidated, and unsanitary or a detriment to the public welfare.

(3) Raze and removal order. Upon the City Council's determination that the subject building is so unsafe, dilapidated, or unsanitary or such a nuisance that its raze and removal is necessary to protect the public health, safety, or welfare, the City Council shall by Resolution order the owner of the building to completely abate said nuisance or to raze and remove the unsafe or nuisance building within not less than 30 days.

(4) Lien on the property. If the owner fails to comply with the Resolution to completely abate this nuisance or to raze and remove the unsafe or nuisance building within the allowed period of time, the City has the power to raze and remove the unsafe or nuisance building. If the City razes and removes the unsafe or nuisance building, the City Council shall hold a public hearing to determine the fair and true costs to the City for this raze and removal and shall place a lien in that amount upon the subject property to be enforced pursuant to any appropriate and available lien enforcement procedures.

SECTION 2: SEVERABILITY. This ordinance shall replace and supersede all previously adopted ordinances that are in conflict with the provisions stated in this ordinance. If any section of this ordinance is held to be invalid, that part shall be deemed to be severable and the invalidity thereof shall not affect the remaining sections of the ordinance.
